

Point of View: FTA's online portal open

FTA just announced that FTA's online portal for the automatic exchange of information (AEOI), "SuisseTax", is available. It's the portal where reporting Swiss financial institutions can register, and they have to have done so by the end of 2017 so that it will be possible to exchange data under the AEOI in 2018.

The portal can be accessed via

German: <https://www.estv.admin.ch/estv/de/home/estv-suissetax/estv-suissetax.html>

French: <https://www.estv.admin.ch/estv/fr/home/estv-suissetax/estv-suissetax.html>

Italian: <https://www.estv.admin.ch/estv/it/home/estv-suissetax/estv-suissetax.html>

Commentary: "SuisseTax" forms part of FTA's E-government-landscape. So far companies have been able to process VAT and reimbursement requests for the withholding tax via the portal. The portal is based on the latest safety standards.
